

# **Aquatic Invasive Species Stakeholder Summits – Western Manitoba**

**Many communities in Western Manitoba are threatened by the spread of Aquatic Invasive Species (AIS) into our waters - particularly **Zebra Mussels!****

**The Riding Mountain Biosphere Reserve, in collaboration with Manitoba Sustainable Development, will be hosting two public, 'Stop AIS Summits' in Western Manitoba.**

- April 17, 2018, 7:00 - 9:00 pm**  
**Roblin Life & Arts Centre - top floor,**  
**106 3rd Ave East, Roblin, MB**
- April 18, 2018, 7:00 - 9:00 pm**  
**Sandy Lake Community Hall,**  
**Main Street, Sandy Lake, MB**

**Join us and learn how we can protect our valuable lakes and streams and safe-guard our communities.**

**All Are Welcome!**
